Our program is geared for little ones 3 months – through completed kindergarten. Registration for our summer camp program opens to the community **FEBRUARY 19<sup>th</sup> at 7am on our website**. You will go to our main church page, [www.gvbc.org](http://www.gvbc.org) and look for the banner at the top of the page that says **Register Here**. You will be directed to a JotForm where you can send us your information. We will call you in the order your form is received to either confirm your registration and take your registration fee or inform you of our remaining availability and/or waitlist options. Spots do fill quickly so we recommend registering right at 7am.
